Staff Core Values:

Communication: When communicating with the public and partners we will quickly get to the point, we will let people know when we don't know the answer and then work to find the answer, we will keep people in the loop, we won't use technical terms and we will always be patient, professional and respectful.

Trust: We will always be upfront, honest and transparent. We work hard to build trust and relationships with the public and our partners—we invest in relationships by committing to our core values. By gaining trust, we build an emotional bank account that we can rely on when things don't go well.

Accountable: If we say we will do something we will do it, we will work hard, get the job done and deliver outstanding results. We will strive to go above and beyond expectations. Furthermore, when we make mistakes, we will take responsibility for them and we won't make excuses.

Growth Mindset: We aren't afraid to make mistakes and we will strive to learn from our mistakes. We will work to stay relevant and innovative by thinking outside of the box. We continually seek out new opportunities to be trailblazers.

Helpful and Kind: We won't leave anyone hanging without answers, we will point the public in the right direction, we will make every effort to aid the public out even if their question does not pertain to our statutory duties.

Open Minded: We will listen to other people's points of view and try to understand them.

Passionate: We show up excited to do our jobs and to carry our mission, even if we are working on a task that is tough or not our area of expertise and/or favorite activity.

Celebrate and Have Fun: We always remember to celebrate small victories and to fun while doing our jobs! We work hard while we are on the clock but we also strive to take time off to enjoy life - family is priority.
